

The Bottom Line

July 2021

NEW WEBSITE!

As you can see - we have just launched a brand new website - we hope you like it! Designed and built by Jason at Nettle in Bury, the site features some great shots of Ramsbottom, us in the office and some details of how we can help you plan and achieve the lifestyle you want. Our services include Investment, Retirement, Mortgages and Tax - which cover all the financials, but we are more about getting to know you, your unique situation and tailoring financial solutions accordingly: as the new strapline says: Lifestyle Financial Planning.

DESPITE COVID...

During various lockdowns and restrictive working measures, we have continued to support and communicate with our customers. Working from home and providing flexible office working hours, we have managed to maintain our working practices and levels of customer service.

If you have any financial concern - whether it is about your mortgage, pension, retirement, inheritance or any other tax related issue - do not hesitate to contact us - we are here for you.

LET IT SHINE!

CANCER RESEARCH UK

Sarah and Kat are registered to do the Manchester Shine Night Walk on Saturday October 30th. Setting off from Castlefield Bowl at 7pm the walk takes in all major Manchester landmarks in a 10k challenge for which proceeds go to Cancer Research UK. This follows up on our pre-Covid fundraising for CRUK. Details of how to sponsor / support will follow on our new website.

CONGRATULATIONS KAT!

Our Practice Administrator, Katarina Hudacinova (Kat), is now a trainee in CeMAP (giving her the qualification to provide mortgage advice) having passed the initial examination.

Kat joined Northern Star in 2015 having been a recruitment consultant for over four years.

SUSAN DUCKWORTH

"Mike has looked after our mortgage long before he joined Northern Star, his advice and expertise helped us pay it off much sooner than we expected to. Recently he has helped me to invest a lump sum of money that has a great sentimental attachment. He dealt with it sensitively during a difficult time. His commitment to ensuring that the type of investments suited my level of risk was very reassuring and I always felt listened to and he was always happy to answer any questions and go over anything I didn't understand"

KEEP ON RUNNING!

Leigh is training hard for the London Marathon!

To see his training progress and the full story behind his support for Maggie's - go to his Just Giving Page:

<https://www.justgiving.com/fundraising/leigh-dickinson>

Maggie's centres are a network of drop-in centres across the United Kingdom and Hong Kong, which aim to help anyone who has been affected by cancer. They are not intended as a replacement for conventional cancer therapy, but as a caring environment that can provide support, information and practical advice.

"Your help means Maggie's can be here to provide support for people with cancer and their families, when they need us most. Our professional staff are on hand to offer the support you need to find your way through cancer. For more information visit www.maggies.org"
