

# The Bottom Line

April 2018

## SOMETHING A BIT DIFFERENT... AGAIN!

Please let Sarah know if you want to attend - we have booked the lovely Penny Farthing suite at the Last Drop - should be a great night!

### Here's some complicated stuff from Leigh regarding re-claiming part of the registration fee for Lasting Powers of Attorney.

When you paid the fee.	Refund
April 2015 to March 2016	£38
April 2016 to March 2017	£45

#### How to claim

It takes about 10 minutes to claim online.

Before you claim you'll need:

- the donor's UK bank account number and sort code
- a copy of the LPA (if you have it)

If you need help or more information to claim online then you can call the Refunds Helpline.

#### Claim a refund online

#### Claim by phone

You must claim by phone if:

- the donor doesn't have a UK bank account
- you're a court-appointed deputy
- you have a trust organisation as the attorney

Contact the Refunds Helpline.

## NORTHERN STAR RAISE OVER £1000 FOR CHARITY AT QUIZ NIGHT!

A traditional pub quiz was held at Greenmount Cricket Club on Wednesday 31st January to raise funds for Papyrus – a national charity set up for the prevention of young suicide. The quiz, organised by Northern Star Financial Management of Ramsbottom, was attended by over 16 teams and a raffle helped the total money raised to £1020.

Northern Star would like to take this opportunity to thank the kind donations of prizes for the raffle – from Bill Elkin, Eagle and Child, The Vineyard, Bang & Olufson and Phoenix Bat Repairs. They would also like to thank all the teams who turned up, the Cottage Loaf (Tottington) for catering and Greenmount Cricket Club for hosting.

The team at Papyrus sent the following message

"Thank you for your gift of £1,020.00. On behalf of everyone here, thank you so much for getting involved and supporting the work we do. We rely heavily on donations, and having support from you will really make a difference in helping us to continue to deliver and improve on our existing life-saving services. Thank you for helping us save more young lives."
